WHAT TYPE OF PLANS DO YOU OFFER?

All of our no long-term contract plans include unlimited talk and text with affordable data plan options for any wireless user, from light-use all the way to unlimited.

HOW DO I KNOW WHICH PLAN IS RIGHT FOR ME?

We recommend checking your most recent wireless bill's data usage and comparing it to our plan offering. Still not sure? Rest assured that we recognize that your needs can change monthly, so there's never a fee for switching to a different plan.

HOW EASY IS IT TO SWITCH?

Very easy! Our friendly, award-winning customer service is here for you each step of the way. We'll answer any questions you have and trust that we'll take care of switching your service from your current provider.

WHAT TYPES OF PHONES DO YOU OFFER?

Any cellphone user will find a terrific choice in our device lineup. From top-of-the-line flagship smartphones to feature-packed value phones, we offer leading technology from Apple, Samsung, Motorola and others. Call or go online for EasyPay. With EasyPay you can purchase a new device for just a small down payment, then pay the balance in installments included on your monthly invoice—with 0% interest.

DO I HAVE TO BUY A NEW PHONE?

No. While we offer a wide variety of today's top cell phones, many existing phones are compatible with our service and can be switched simply by inserting our free SIM card.
