Why Simple Path Financial over other lending institutions?

Q. What can I use a Simple Path Financial loan for?
A. You can use a Simple Path Financial loan for any personal, family, or household purpose.

Q. Are there any pre-payment or origination fees?
A. We want to make things simple for our customers, so we charge no pre-payment penalties or fees. An origination fee may be applied to your loan based upon your state of residency. Please call 877-876-1566 today for more information.

Q. Is the Simple Path Financial loan secured or unsecured?
A. Loans available through Simple Path are unsecured. This means you do not need to provide collateral for the loan.

Q. Will applying for a personal loan affect my credit?
A. Simple Path conducts an unscored "soft" credit pull to check for rates and terms you may qualify to receive. This will not affect your credit score. However, if you choose a product and continue your application, we or the lender will request your full credit report from one or more consumer reporting agencies and this may impact your credit score.
